

Sea-Cargo AS is a leading logistics provider in the North-Sea market. Our head office is located in the heart of the scenic west coast of Norway - an area known for international shipping and maritime industry. Sea-Cargo is complemented by a fully owned agency structure with offices in Norway, Denmark, UK, the Netherlands and Poland. With ownership of vessels, terminals and distribution networks, Sea-Cargo offer comprehensive shipping and logistics services including regular ro-ro liner service, warehousing, stock management, distribution, heavy lift, modern handling equipment, ships agency and tailor-made door to door solutions.

## Logistics Operator - Aberdeen

As a result of changes within Sea-Cargo Aberdeen Ltd, we are looking for a Logistics Operator to join our team. Sea-Cargo Aberdeen Ltd provides a range of stevedoring, shipping and logistics support services from a modern, integrated facility at Aberdeen harbour. Sea-Cargo is a key component in the port's role as the centre of activity for offshore oil and gas industry in North West Europe and marshalling centre of oilfield equipment exports, and as the principal commercial port serving a wide variety of industries in the North and North East Scotland.

### Summary of position

As our new Logistics Operator you will be part of the office-based team responsible for controlling and supporting all operational aspects of the terminal. The role will be focussed on the liner services Sea-Cargo Aberdeen Ltd control but will be varied and potentially involved in supporting all the services we offer.

### Responsibilities

- Control and support all terminal operations
- Preparation and tracking of shipments
- Arranging local and national transport
- Communication with customers to provide excellent levels of customer service
- Invoicing

### Skills required

- Logistics experience desirable but not essential
- Excellent communication skills
- IT literacy essential
- Able to work effectively as part of a team

Successful applicant will benefit from a well appointed package commensurate with experience. If you have any questions, please contact Tom Whitaker, tel: + 44 7720 740 102.
